Our Suppliers & Producers

The Bakery Café

Barry Smith bakes our bread next door, which in terms of food miles is about 2 feet. By the time we stroll in he's been hard at it for 5 hours!

Barber's Farmhouse Cheesemakers

www.barbers.co.uk

The Barber family have been farming and cheesemaking since the early 1800s. Situated in the heart of rural Somerset the business today is a modern example of how farming and food manufacturing can be integrated to create products with heritage, tradition and quality within a sustainable agricultural framework.

Brookfield Farm

www.brookfieldfarmdorset.co.uk

Home to the delicious English veal of our Vitello Tonnato. Animal contentment and wellbeing is the principle consideration of multiple award-winning Brookfield Farm, ensuring that all livestock are produced to the best practice standard. This results in excellent meat quality created with care and sensitivity.

Capreolus Fine Foods

www.capreolusfinefoods.co.uk

Capreolus Fine Foods is an award-winning, family-owned artisan smokehouse set in Rampisham, West Dorset, that specialises in the production of cured, air dried and smoked meats and other charcuterie.

Creedy Carver

www.creedycarver.co.uk

Peter and Sue have worked the 82 acre Merrifield Farm for over twenty years. They have achieved an excellent reputation for producing high quality chickens and ducks that give the true flavour of the product whilst maintaining a very sympathetic approach to bird welfare.

Foots Eggs

Our free-range eggs don't have to travel far from Stoney Farm in Sherborne.
